

BRIARWOOD BALLET

CLASSES FOR 2021-22

BRIARWOOD BALLET • 2021–22

August 30, 2021 - May 8, 2022

Briarwood Ballet is committed to serving God by offering quality instruction in classical ballet and dance education within a Christ-centered environment.

Our school serves students of all ages, with varying goals and aspirations, who desire to study dance. Faculty members are dedicated to providing a Christian world-view of dance and to instilling in students the desire to use their talents to glorify God. They impart the love of dance and encourage each individual to reach his or her maximum potential, both physically and spiritually.

This excellent training teaches discipline of body and mind and appreciation for the beauty of art—as well as the sheer joy of dancing. Performing experiences provide a creative outlet, produce a sense of confidence and responsibility, and allow students to use their gifts to honor the Lord through dance.

“Thou hast turned for me my mourning into dancing;” Psalm 30:11

REGISTRATION & PROCEDURES

We will be registering again this year through our online student management platform, Studio Director.

If you have a current student or have been a part of a summer camp, you are already in our system and should NOT create a new account. To get to your existing account or to create a new account to register: find the Studio Director link on our website: briarwood.org/balletclasses. Or click here: [STUDIO DIRECTOR FOR PARENTS](#). Use your primary email address to sign in.

If your first choice class is full, you can still select it and your student will be put on the waitlist. You may then select another class. Be sure to go all the way through the checkout process to insure you are enrolled. The first tuition balance will be due August 15 or on your day of enrollment if after that date.

If you are not able to register online, you will find a set of forms on our website to print out and submit. We cannot take any registrations prior to [June 22](#). Anything received prior to that date will be held until the day your specific registration opens.

EARLY REGISTRATION FOR CURRENT STUDENTS

Students must have been enrolled in 2020-21 classes or Summer 2021 classes or camp to be considered “Current.”

Early online registration through Studio Director for all Current Students and their siblings will open [Tuesday, June 22 at 8:00 a.m.](#)

For Enrichment & Intensive students, all classes assigned to each student have been pre-approved so you will not have to go looking for your schedule. From the Main page, click the button for “Enroll in My Pre-approved Classes.” Select the Enroll box next to all of your classes then hit the Enroll button at the bottom of the screen.

OPEN REGISTRATION – ages 3 years (by September 1) through 12th grade
Begins June 23 at 8:00 a.m. online through Studio Director.

- If you have a student who is new to Briarwood Ballet, just create an account. Then, if your student is 4th grade or older, contact us at ballet@briarwood.org for further instructions. Otherwise, you can register for the class of your choice.
- Students placed on a waiting list and not placed in a class by October 31, 2021, will be refunded any \$50 registration fee that has been paid.

Handbook & Confirmation Letter

Our Student Handbook and Dress Code can be found online or in your Studio Director documents. These materials contain important information about the dress code, school policies, productions, and other general information. Please read over them carefully. Upon registration, you will receive an initial confirmation outlining enrollment in classes or placement on waitlists.

Supervised Dressing Room Service

The Supervised Dressing Room is required for children K4 through 6th grade who are unsupervised by an adult or for students in the after-school care program at Briarwood Christian School. Our dressing room supervisor will pick up children from carpool or from after-school care, check-in students who are dropped off, and assist as needed.

This service is not offered on days when Briarwood School is closed. There is an additional fee for this service. See the Fees & Schedule section of this brochure for information. The sign-up form may be found under Class Information on our website.

ENRICHMENT DIVISION

The Enrichment Division is designed for students who want to expand and enhance their knowledge of ballet as well as other dance forms. Although ballet training remains the core of this track, it is the goal of this division to expose dancers to a variety of dance genres, not limiting them by the strict physical requirements that classical pointe work demands. Although they will be exposed to pointe work, they may discover that their strength and ability as a dancer is found in other styles of dance. Students are placed in these classes by faculty recommendation.
