## TO REGISTER

Please register your dancer online through Studio Director where you can pay with a credit card.

If you have a current student or have been a part of a summer camp in the last couple of years, you are already in our system and should NOT create a new account.

Here's how to get to your account and register:

- You can find the Studio Director link on our website: [briarwood.org/ballet](http://briarwood.org/ballet) at any time. Or you can click on it here: [STUDIO DIRECTOR FOR PARENTS](#)
- If you have a 4th grader who is new to Briarwood Ballet, just create an account.
- If you are returning, use your primary email address to sign into your existing account. If you don't remember your password, just use the "Forgot Your Password?" link.
- Click the Menu icon in the upper left corner to find the link to Enroll in a Class. If your student is in the Enrichment or Intensive Division, you can select Enroll in Pre-Approved Classes. Choose all classes shown to be sure student appears on the correct rolls. If your student's level is offered an elective, do not check it if student is not taking it.
- The registration/media fee includes access to the Summer Showcase video.
- Be sure to go all the way through the Checkout process to insure you are enrolled. The balance will be due no later than **June 1**.
