

## MDO Guidelines Agreement Form

Dear Parents,

We feel that it is in the best interest of the children as well as the program, for you to carefully read our "handbook" so that you will understand what our policies and procedures are. After you have read it, we would ask that you print off and fill out the appropriate information at the bottom of this page. Please sign it indicating that you have indeed read our "handbook" and agree to follow our guidelines.

You may return this with the blue slip and consent form. We would appreciate the return of these forms no later than the 15th of August.

We are looking forward to another great year as we faithfully serve our Lord.

In His Service,

*Betsy & Debbie*
