

Briarwood Youth Discipleship Group Commitment

“And let us consider how to stir up one another to love and good works, ²⁵ not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.”-

Hebrews 10:24-25

Purpose and Goal:

The purpose of discipleship groups is for students to be encouraged by the Gospel and the testimony of their peers and to sharpen one another “as iron sharpens iron”. Our goal is to accomplish this by creating an environment where students can study through the scriptures together, pray for one another, and ask difficult questions.

How:

In order to foster an environment where students can share and grow as a group the members must be present. For this to happen, students need to be consistent in their involvement both mentally and physically. In order to do this, we ask for the student to make a commitment to the group.

What is the Nature of the Commitment?

We understand that students are all at various stages in their relationships with the Lord and that there are some that have yet to trust Christ as their Lord and Savior. With this in mind, there is not a statement of faith required, but a desire and willingness to faithfully attend the group on the part of both the student and the family. We understand that there are unavoidable circumstances that will arise and cause a student to miss on occasion.

The Commitment:

Student:

I, _____, commit to faithfully attend Bible Study both mentally and physically at 6:00pm on all Sundays until the end of the semester except those prohibited by legitimate causes (i.e., those not having to do with homework procrastination and/or a loss in desire to attend).

Parent:

I have read the student commitment form and will encourage my child in prioritizing their attendance to the D-group each week.
