

Memo to Moms

February 2019

Love

We do love your children. It is such a blessing to hear their laughter and see their smiles. We love watching them as they grow and learn new things. We see friendships form and see confidence grow in them as they try new things and get "comfortable" in their surroundings. This month is all about LOVE but the love we have for them is not limited to just this month but will be with us for years to come. We are so thankful that you have allowed us to be a part of your family.

Happy Valentine's Day

In the event of any weather situation, closings, delayed openings, early dismissal, etc., tune in to ABC 33/40, Fox 6, WLJR, or check our Facebook page, as well as communications via email, to find information you need concerning decisions that would concern you and the safety of your child. Hopefully we won't have to do this any time soon. There is also a number you can call **776-5602** to **check about closings.**

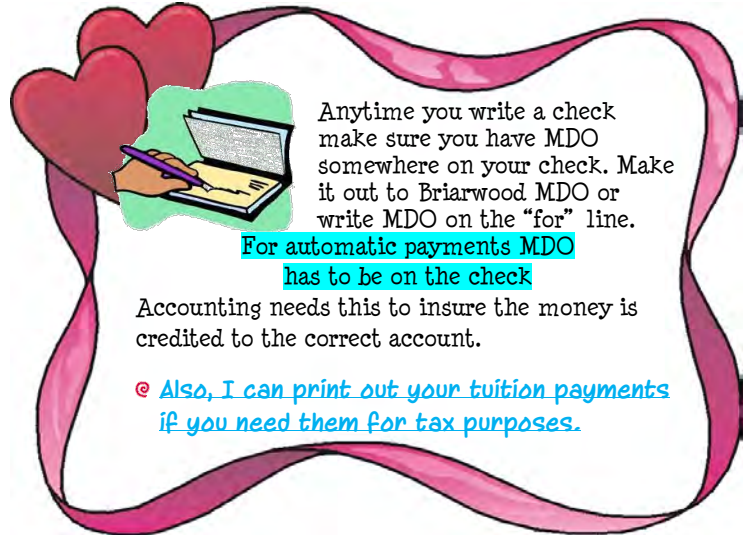

Re-enrollment Is Complete

We have completed another re-enrollment! For any remaining spots we will be calling those on the waiting list

If you have any changes in plans, please let us know immediately.

REMINDERS!!!

Anytime you write a check make sure you have MDO somewhere on your check. Make it out to Briarwood MDO or write MDO on the "for" line.

For automatic payments MDO has to be on the check

Accounting needs this to insure the money is credited to the correct account.

© **Also, I can print out your tuition payments if you need them for tax purposes.**

We would appreciate your understanding if the teachers of the one-year olds are unable to deal with those children who are being potty trained. With a child that young, many times the Mom is more trained than the child. The child spends more time "trying" but never really succeeding. This causes one of the teachers to have to be out of the room for too lengthy a time, which leaves only one teacher in the room with all the other children. We would respectfully ask you not to try to potty train your children in the one-year-old classes.

Thanks!
