

MDO Early Morning Art Lessons

Art lessons for the older 2's and 3 year olds

Hi Sweet Moms!

My name is Christian Terrell and I will be offering art lessons for your little ones starting this fall. I have always had a special love for the arts and for children and I couldn't be more excited about this opportunity to teach! I received a Bachelor of Arts from Auburn University and am currently pursuing a Masters Degree in Biblical Studies and Counseling from Birmingham Theological Seminary. It is my desire to delight your children with creative activities while introducing simple, Biblical lessons alongside each project. We will study fundamentals such as colors, shapes and light, as well as explore the special creativity God has given to each one of us!

- **Classes will be offered on Tuesday, Wednesday and Thursday each week**
- **For children 2 and older *Limit 8 per day**
- **Cost: \$15 per class (Supplies Included)**
- **Time: 8:00-9:00 MDO Playroom.**
- **I will take the children to their classroom at the end of the art class.**

We are going to have fun!!

First \$15 class fee is due with the registration form!
