

## ABOUT CAMP BRIARWOOD

Camp Briarwood was established in 1964 by Briarwood Presbyterian Church as a Christian camp for boys and girls. The camp is led by Quest Recreation Outreach, a sports and recreation ministry with a global reach under the supervision of Briarwood Presbyterian Church.

Each session of camp is designed to offer summer adventures your child will never forget. Camp provides an ideal atmosphere where the physical and the spiritual blend together. Bible discussions, stories, songs and vesper services help children grow in their relationships with God and others. Camp Briarwood is a place of life-changing experiences. Each year, campers come from several states across the U.S.

The groups for each camp are as follows:
