

ACTS of Ministry Lesson 4
God's APPS Part 1: Discover Your Spiritual Gifts
Wednesday 4/6/22

A **Spiritual Gift** is a special attribute graciously given by God and empowered by the Holy Spirit, to equip a Christian to fulfill their specifically designed function in the Body of Christ, to further the Kingdom of God, for the Glory of God.

Spiritual Gifts produce unity and love leading to full maturity in the Body of Christ. These gifts encourage & edify other Christians and help us encourage & evangelize non-Christians.

Begin Syncing / Homework

1. Ask yourself these questions:

- What area(s) of service am I most effective in building up others and moving forward the work of Christ in the Church?
- What area(s) of service for Christ seems most natural for me to do? Do I most readily notice needs to be done and can pretty easily see/understand how to do it?
- What area(s) of service gives me “energy” and biblical joy when I do it?
- What area(s) of service do I receive positive feedback from others?

2. Show 1-2 friends the definitions of the Spiritual Gifts. Ask them the following questions.

- Looking at the Spiritual Gifts definitions, what areas of service do you believe I am most effective in building up others and moving forward the work of Christ?
- What areas of the listed gifts do I seem most drawn to and seem to enjoy most?
- What areas in the Church do you think I should try to serve in?
- What other thoughts should I consider in trying to determine my spiritual gift?

3. Discussion Questions Tonight

- I. What has God revealed to you about your giftedness from what has been covered already in this study?
- II. Are there any obstacles from being a good steward of your talents? Explain your answer.
- III. How can the group pray for you as we move into the next weeks of this study?
