Spring – new beginnings

Each year the heading of this small “blip” is new beginnings as you can see. It definitely will be new beginnings for the three of us. It will be bittersweet as we say good-bye to what we have done for over 30 years. Betsy and Ann have Pickleball, but I will have to find me a new activity 😊. These last few months will go quickly and we plan to enjoy every minute. As we look at all that God has created as His creation “wakes up” from a winter of rest, we all three know that this is God’s plan for us!

Information Please . . .

Even at this late date in the year we feel we need to remind you of an important aspect of our program. Make sure you let your child’s teacher know if anyone other than yourself will be picking your child up that day. Make sure that your child’s teacher has your contact information and that you have theirs. If you are having a friend or relative pick your child up – you need to let us know. If you need additional carpool name tags please let me know.

TEXT YOUR CHILD’S TEACHER WITH ANY CHANGES FOR THAT DAY

REMINDERS

Make sure you arrive for carpool drop off or pick up before 10 after :)

Carpool has gone great this year – at least it seems to have gone great on our end. Thank you for your patience as we have had occasionally changes because of church functions. This may be our new normal for the years to come. We DO miss those conversations at the door!!! :)

Please continue to send a light jacket or sweater for your child on cool mornings. We will go outside each day when the weather permits. **LABEL THEM!**

Make sure you let us know if you have a change of plans for next year or have a new address!!!
