Our Conference

So much contemporary counseling is about surviving a crisis or flourishing in momentary happiness. While neither is wrong, both are shortsighted goals, and all are often defined by progressive culture. Biblical Counseling is not only about these common human goals but also about heart transformation that results in peace with God and the peace of God even when the common human goals are unobtainable. This conference is about being and leading others to be those who "are more than conquerors through Him who loved us."

Our keynote speakers will be Dr. Kevin Hurt, on Friday night, and Dr. Harry Reeder, Senior Pastor at Briarwood Presbyterian Church, on Saturday morning.

Plan to arrive by 5:00 PM on Friday to sign in, pick up nametag, browse the book tables and get acquainted with the facility.

Lunch Saturday is included in the price; other breaks and complimentary snacks planned throughout the day.

This training is designed to be a time of renewal for individuals and couples. No childcare will be provided. Attendees should make off-site plans for children.
